

PPI Software Release 5.1: Notes For TRAIN Changes

1. The field size of the following columns of the Group Definition table changed as follows:

Group Billing name to 35 characters
Group Street Address to 50 characters
Group City Address to 35 characters
Group State Zip to 15 characters

2. Changed the navigation to provide proper tabbing from column to column.

The screenshot shows a software window titled "HUMAN RESOURCES DEVELOPMENT SYSTEM" with a menu bar (Action, Edit, Block, Item, Record, Query, Help, Window). Below the menu is a sub-header "RTE_0101 GROUP DEFINITION V1.0". The form contains several input fields with labels to their left: "Group Title", "Group Manager", "Group Budget", "Training Officer", "Billing Name", "Billing Street", "Billing City", "State & Zip Code", "Description" (with a vertical scrollbar), and "Parent Title". At the bottom of the window, there is a status bar showing "Count: *0" and "<List>" with navigation arrows.

3. Added employee's name to the Employee Course Certification Screen.

The screenshot shows a software window titled "HUMAN RESOURCES DEVELOPMENT SYSTEM" with a menu bar (Action, Edit, Block, Item, Record, Query, Help, Window). Below the menu bar is a sub-header "TRN_0109 EMPLOYEE COURSE CERTIFICATION V1.0" and "Page 1 of 2". The main area is titled "Employee Certificate of Completion". It contains several input fields: "Employee:" with the value "ALUPATSANNELORE", "DCPDS Number:" with "400100", "Course Title:" with "ADV DSASTR PREPARNSS", "Start Date:" with "01-DEC-97", and "End Date:" with "01-DEC-97". Below these is a question "Did you successfully complete this course?" with two radio buttons: "Yes" (selected) and "No". At the bottom are "UP" and "DN" buttons. A status bar at the very bottom shows "Count: *0".

Field	Value
